Preface

These abstractions are from Declaration of Intentions recorded in two different books; one covering the period 12 April 1912 through 02 November 1917 , and the other, 02 November 1917 through 08 February 1918. These are records of the Superior Court, Michigan City (La Porte County) IN. This information is housed in the office of the La Porte County Clerk, La Porte County Circuit Court House, La Porte, IN. Page numbers referenced are to these books and should a request for a copy of a particular intention be desired, please refer to not only the date of the book but also the page.

There is a fee for copies, and due to the possibility of this changing from time to time, it is recommended persons desiring copies write for fee information--and be sure to include a SASE.

These abstractions were done by volunteers from the La Porte County (IN) Genealogical Society and computerized by Jean Bauer to whom the Society is very grateful. Any questions regarding this compilation may be directed to:

Preface

These abstractions are from Declaration of Intentions recorded in two different books; one covering the period 08 February 1918 through 26 September 1918 , and the other, 26 September 1918 through 23 December 1918. These are records of the Superior Court, Michigan City (La Porte County) IN. This information is housed in the office of the La Porte County Clerk, La Porte County Circuit Court House, La Porte, IN. Page numbers referenced are to these books and should a request for a copy of a particular intention be desired, please refer to not only the date of the book but also the page.

There is a fee for copies, and due to the possibility of this changing from time to time, it is recommended persons desiring copies write for fee information--and be sure to include a SASE.

These abstractions were done by volunteers from the La Porte County (IN) Genealogical Society and computerized by Jean Bauer to whom the Society is very grateful. Any questions regarding this compilation may be directed to:
